

In 2003 Matthew joined his father Nathaniel at Jarvis Financial and five years later he took over as President. Building on the foundation laid by Nathaniel, Matthew and the team have earned Jarvis Financial world-wide recognition for Delivering Massive Value to clients. While serving clients is always Matthew's top (professional) priority, he is a widely sought-after speaker and author.

When not at work, Matthew can be found traveling the world with his wife Jackie and their three children (Alice, Ella & Calvin). You can also find him at the local CrossFit gym or in the woods on his mountain bike. If you get the chance, be sure to ask him what books he is currently reading.
